

PTA REFLECTIONS “Diversity Means . . . “

We encourage every student at Island Creek to participate in the PTA Reflections program. We are now collecting entries. Please leave your entry in the lobby in the collection box. Please finish up your entries and put them in the collection box by the end of Friday, October 28.

Reflections entries can be in the following areas: Dance Choreography, Film Production, Musical Composition, Photography, Visual Arts, and Literature

If you would like to look at winning entries from across the USA and get more specific instructions, log on to ptareflections.org and you will find lots of additional information.

This is very important!! **You must include a Title and an Artist Statement**

Each participant is required to submit an artist statement that describes what inspired him or her to create the work and how it relates to the theme. The artist statement is mandatory for all entries in all grade divisions. The statement should not exceed 250 characters; there is no minimum length. The Student Entry Form provides a space for the artist statement; if the statement does not fit in the space given, it may be written on a separate sheet and attached to the Student Entry Form.

The Consent form

This form is required only if you have any student’s recognizable voice or image included in your project. Each student whose voice or image is included in the project must have a consent form.
